

## **Nonprofit Governance: A New Mandate For Fiscal Accountability**

Recent developments have raised the standard of accountability for all organizations. What will this mean for the nonprofit sector? How will the recommendations of the Nonprofit Panel affect community and economic development organizations in our region?

Are you uncertain about what these changes mean for your organization, or the organizations you fund? Do you know where to turn for the information you need?

Please join us for a discussion with experts from the legal, accounting, nonprofit management, and foundation fields, and learn about available resources.
