TO: The Chief Executive Officer of Each State Member Bank
Located in the Second Federal Reserve District

As part of a joint mailing with other supervisory agencies, state member banks received their Report of Condition and Income materials for the June 30, 2000 report date from the Federal Financial Institutions Examination Council. However, the completed report must be submitted to this Bank. There are no major changes to the Call Report this quarter.

A completed Call Report must be electronically submitted no later than **July 30, 2000**. Earlier submission would aid the Federal Reserve in reviewing and processing the report and is encouraged.

Please note that, under the Regulatory Reports Monitoring Program, the timeliness of receipt of the Call Report will be monitored. Any report received after 5:00 p.m. on July 30 will be considered late. Submission of initial data will only be accepted electronically.

The staff of this bank will monitor whether banking organizations are meeting their basic reporting requirements through the use of Avalidity edits.@ The current edits for the Report of condition and Income that are subject to monitoring are unchanged and were sent to you in a previous mailing.
