

**>Fed Feed  
April 2010**

Welcome to the April 2010 edition of >Fed Feed for university and college educators, with the latest news, classroom resources, job opportunities and other fun from the Federal Reserve Bank of New York.

**>Sound off about the Fed and the financial crisis**

Take this survey and tell us what you think. It's short, it's anonymous, and we encourage you to pass it along to students, colleagues, and others. Complete it by June 1, 2010 and results will be forthcoming over the summer.

**>Data in the classroom**

Access 15,000 free US data series and create charts with FRED, an easy-to-use website from the St. Louis Fed: <http://research.stlouisfed.org/fred2>. Register and save your charts, and they will be updated automatically next term!

**>The problem of economic education**

Apparently, it hasn't changed all that much! See this article from the Quarterly Journal of Economics from 1893. [attached]
