Steve Ellis, Wells Fargo*

*Participated by phone

Part I
1. Discussion of Fintech in payment, clearing and settlement systems
   PRC members discussed the evolution of real-time payments and the emergence of fintech and new technologies in payment, clearing and settlement systems.
2. **Discussion of SIFMA Market Response Protocol**
   Representatives from SIFMA provided an overview of its market response protocols and committees.

**Part II**

1. **PRC Administration**
   - Minutes for the June 16, 2016 meeting were approved.

2. **Update and next steps on continuing strategic agenda topics**
   a. Fraud in the payments environment
   The workstream lead briefed Committee members on the key takeaways from the Seminar on Fraud in the Payments Environment scheduled in June.

3. **Strategic agenda topics pending publication/signoff from PRC members**
   a. Central counterparty topics
   The workstream lead requested that all Committee members ensure that their respective institutions submit the CCP data disclosure template to CCPs, as agreed, to complete this work.
   b. Intraday Liquidity Flows (ILF) update
   The Committee members were reminded to review and approve the final version of the ILF report.
   c. Developing industry risk mitigation strategy for recovery of payments activity during an extended outage
   The workstream lead provided an update to Committee members and discussed possible next steps once the industry guidelines for the Payments Activity Recovery initiative are approved and finalized.

4. **Update and discussion of potential future initiatives**
   Committee members briefly discussed pursuing market response protocols for payment, clearing and settlement systems, and possible new work related to fraud in the payments environment and outsourcing risks.

5. **Other business**
   a. Meeting schedule for 2016
      - November 1, December 15

The meeting adjourned at approximately 4:00 p.m.
