

Investor Advisory Committee on Financial Markets

Chair: John C. Williams

Conference Call

Wednesday, July 13, 2022; 11:00am – 1:00pm

- What are your expectations for the U.S. economic outlook for growth and inflation? How are you thinking about the global economic outlook? Which developments have been most important in affecting your outlook?
- What is your outlook for Federal Reserve monetary policy? How do you expect monetary policy to evolve internationally, and to what degree is the setting of monetary policy in key jurisdictions affecting other regions?
- What have been the drivers of falls in equity and credit asset prices in recent months? How are you now thinking about valuations across major asset classes? What do you think are the main links between crypto assets and the real economy and financial markets, and how might these links evolve?
