

## **Investor Advisory Committee on Financial Markets**

Chair: John C. Williams

Conference Call

Wednesday, October 21, 2020; 11:00am – 1:00pm

- What are your expectations for Federal Reserve monetary policy and how have the results of the monetary policy framework review influenced your expectations? What is your outlook for U.S. economic growth? What are your expectations for additional fiscal stimulus and are these expectations reflected in market pricing?
- What is your outlooks for global economic growth and monetary policy at other major central banks?
- What are your expectations for funding market dynamics around year end? To what extent will year-end dynamics differ from prior years? Are there any broader market liquidity or market functioning considerations that you view as a risk to financial markets?
