

# Nonprofit Leaders in FinTech (nLIFT)

**Nonprofit Leaders in Financial Technology (nLIFT)** is a group of organizations with a shared goal of increasing financial inclusion through technology-driven platforms. nLIFT is comprised of six nonprofit leaders in the fields of technology and financial inclusion: Commonwealth, EARN, Inclusiv, The Financial Clinic, Mission Asset Fund, MyPath, and Neighborhood Trust. As nonprofits, nLIFT members are driven by mission and impact before profits, uniquely positioning them to leverage technology to advance a fairer and more inclusive financial system.
