44 CFR Part 65

**RIN 3067–AC81**

**National Flood Insurance Program:**

Removal of Form

**AGENCY:** Federal Emergency Management Agency (FEMA).

**ACTION:** Final rule.

**SUMMARY:** This rule removes appendix A to part 65, which contains the FEMA Standard Flood Hazard Determination form, and removes reference to the form and tells readers how to obtain copies of it. The form is used in the process of making, increasing, extending, renewing, selling, or transferring mortgages to ensure that buildings and mobile homes located in an identified Special Flood Hazard Area (SFHA) are covered by flood insurance. FEMA will publish notices of the availability of the form from time to time; the form is also available by fax-on-demand and on the Internet at FEMA’s web site. Removal of the form from the CFR will enhance FEMA’s ability to incorporate changes to the form outside of the rulemaking process, while continuing to provide full notice of the availability of the form to the public and to affected parties.

This rule also revises 44 CFR 65.16, Standard Flood Hazard Determination Form and instructions. The rule continues to be available by written request, by fax-on-demand, and through the Internet at http://www.fema.gov/ nfip/mpurf.htm. Removal of the form from the Code of Federal Regulations will enhance FEMA’s ability to incorporate changes to the form outside of the rulemaking process, while continuing to provide full notice of the availability of the form to the public and to affected parties.

This rule removes Appendix A to Part 65—Federal Emergency Management Agency, Standard Flood Hazard Determination Form and Instructions. The form will continue in use and will continue to be available by written request, by fax-on-demand, and through the Internet at http://www.fema.gov/nfip/mpurf.htm. Removal of the form from the Code of Federal Regulations will enhance FEMA’s ability to incorporate changes to the form outside of the rulemaking process, while continuing to provide full notice of the availability of the form to the public and to affected parties.
