As provided by Section 4 of the Federal Reserve Act, as amended, an election will be held to choose successors, to serve for a three-year term, for the following two directors at this Bank: Class A director, John H. Buhrmaster, Chairman and Chief Executive Officer of 1st National Bank of Scotia; and Class B director, Arvind Krishna, Chairman, President and Chief Executive Officer of IBM. The current Class A and Class B director terms will expire on December 31, 2026.

Both of these directors were elected by member banks in Group 3, that is, member banks with capital and surplus of \$40 million or less, and their successors will be chosen by this Group. **Member banks in Groups 1 and 2 will not participate in this election.**

The classification of member banks for the purposes of nomination and election of Class A and Class B directors of the Federal Reserve Bank of New York is as follows:

Group 1 consists of banks with capital and surplus of \$2 billion or greater;

Group 2 consists of banks with capital and surplus greater than \$40 million and less than \$2 billion; and

Group 3 consists of banks with capital and surplus of \$40 million or less.

For the purposes of this election, a member bank's classification will be determined by its capital and surplus as of September 1, 2026, even though its capital and surplus may change before the polls close. The list of banks comprising Group 3 is on pages four through six.

Except in the case of any member banks that are subsidiaries of the same bank holding company, each member bank in Group 3 is permitted to nominate one candidate for Class A director and one candidate for Class B director. If your institution is eligible to vote in this election,

you may submit a nomination through the online election system maintained by the Federal Reserve Bank of New York. You will find detailed nomination procedures, qualification requirements for Class A and Class B directors, and lists of Group 1, Group 2, and Group 3 Member Financial Institutions in the online election system. **Nominations must be made by a duly authorized officer of an eligible Member Financial Institution and submitted to the Federal Reserve Bank of New York no later than 10:00 a.m. Eastern Time on Friday, October 23, 2026.**

On Tuesday, October 27, 2026, at 10:00 a.m. Eastern Time, the election period will open. A list of candidates for both positions, along with a login ID and password to the online election system, will be emailed to each Member Financial Institution in Group 3. An indication of which Member Financial Institutions nominated each candidate will be available upon login to the online election system. The law provides that ballots shall be cast within 15 days after receipt of this list. The polls will open at 10:00 a.m., October 27, 2026, and will close at 10:00 a.m., Thursday, November 12, 2026. Upon the closing of the polls, the votes will be counted and checked, and the results of the election announced.

In order to be counted as valid, the ballot must be executed by an officer authorized to cast the vote and must be received by this Bank at or before the time fixed for the closing of the polls (i.e., at or before 10:00 a.m. on Thursday, November 12, 2026). The officers previously designated for this purpose by each bank in Group 3 are listed on pages four through six. Group 3 banks have been requested to affirm their designated officers using the Certification of Voting Officers form attached at the end of this circular. Any Group 3 bank that desires to change its authorization may do so by using the same form; a certified copy of such resolution must reach this Bank before the polls close.

PAT WANG,
Chair of the Board of Directors

Information Concerning Eligibility for
Class A and Class B Directorship of a Federal Reserve Bank

Noted below are policy statements and certain statutory requirements that are relevant to your selection of a nominee for Class A and Class B directors:

Section 4 of the Federal Reserve Act, as amended, reads in part as follows:

“**Class A** shall consist of three members, without discrimination on the basis of race, creed, color, sex, or national origin, who shall be chosen by and be representative of the stockholding banks . . . No officer or director of a member bank shall be eligible to serve as a class A director unless nominated and elected by banks which are members of the same group as the member bank of which he is an officer or director.”

“**Class B** shall consist of three members, who shall represent the public and shall be elected without discrimination on the basis of race, creed, color, sex, or national origin, and with due but not exclusive consideration to the interests of agriculture, commerce, industry, services, labor, and consumers . . . No director of class B shall be an officer, director, or employee of any bank.”

“No Senator or Representative in Congress shall be a member of the Board of Governors of the Federal Reserve System or an officer or a director of a Federal Reserve bank.”

“. . . That whenever any member banks within the same Federal Reserve district are subsidiaries of the same bank holding company within the meaning of the Bank Holding Company Act of 1956, participation in any such nomination or election by such member banks, including such bank holding company if it is also a member bank, shall be confined to one of such banks, which may be designated for the purpose by such holding company.”

The Board of Governors of the Federal Reserve System has expressed the opinion that it is inappropriate, as a general rule, for directors of Federal Reserve Banks to hold partisan political or public office in the service of the United States, or of any State, territory, county, district, political subdivision, or municipality thereof, to act as members of political party committees, or to serve as officers or directors of political action committees or as members of the governing bodies of such committees. The System’s policy is to avoid any situations that might give the appearance of associating the Reserve Banks with political activities.

The Board of Directors of the Federal Reserve Bank of New York has resolved that all persons who stand for election as Class A or Class B directors shall be citizens of the United States.
