To: The Officer Responsible for Filing the Financial Statements of U.S. Nonbank Subsidiaries Held by Foreign Banking Organizations (FR Y-7N)

Subject: FR Y-7N Reporting Requirements for March 31, 2023

The report forms and instructions for the Financial Statements of U.S. Nonbank Subsidiaries Held by Foreign Banking Organizations (FR Y-7N) for the quarter ending March 31, 2023, have been posted to the Federal Reserve Board's website at: <http://www.federalreserve.gov/apps/reportforms/default.aspx> under "Reporting Forms".

Foreign Banking Organizations file the FR Y-7N quarterly for each U.S. nonbank subsidiary with total assets greater than or equal to \$1 billion or with total off-balance sheet activities greater than or equal to \$5 billion. Foreign Banking Organizations file the FR Y-7N annually for each U.S. nonbank subsidiary that does not meet the criteria to file quarterly but has total assets greater than or equal to \$500 million (and less than \$1 billion). The FR Y-7N and the must be submitted for each legal entity subject to the reporting requirements. Therefore, consolidation of individual entities is not permitted.

Confidentiality

One aspect of the transition to Reporting Central necessitates the Federal Reserve to modify its internal procedures for handling confidentiality requests for those holding companies that submit data electronically. Generally, the FR Y-7N reports are available to the public upon request on an individual basis. All data are published, with the exception of items deemed confidential per the report's instructions, unless the individual holding company from which the data were collected has been granted confidential treatment or has a request pending. A respondent may request confidential treatment for the entire report or for specific items on the report. To better facilitate confidentiality requests and ensure the data are properly handled during the review of the request, the Federal Reserve strongly encourages institutions that are of the

opinion that disclosure of certain commercial or financial information in the report would likely result in unwarranted invasion of personal privacy to:

- (1) Notify their Reserve Bank of their intent to request confidential treatment in advance of the written request, and;
- (2) Send the confidentiality request in writing prior to data submission.

For institutions that do not submit data electronically, written requests for confidentiality may be provided concurrently with the paper submission of the report.

For more information on confidentiality requests, please see the FR Y-7N General Instructions (page GEN-5).

The Federal Reserve developed Reporting Central to enhance the overall reporting functionality of the Federal Reserve Banks' data collection and processing activities. These enhancements will allow for a more secure, technically advanced, and efficient system that will encompass a single point of entry for electronic submission and file uploads. Financial and nonfinancial institutions will access Reporting Central via the FedLine® Web Access Solutions site to submit reports and gain access to electronic reporting applications, report forms, and instructions. Additional information about the Reporting Central application, including an online resource center, is available at: <https://www.frbservices.org/central-bank/reporting-central/index.html>. If you have any questions regarding Reporting Central, please contact your Reporting and Reserves District Contact.
