**To: The FR Y-7 Contacts at the Addressed Foreign Banking Organization:**

We are writing to provide you information for the preparation of the Annual Report of Report of Foreign Banking Organizations (FR Y-7) for fiscal year ends December 31, 2014 and later. There were no changes to the form or instructions since last year. The most recent version of the FR Y-7 reporting form and instructions are available at:

<http://www.federalreserve.gov/apps/reportforms/default.aspx>

Enclosed is an RSSD Tier Report for your organization to assist you with reviewing information and preparing the FR Y-7 report. The RSSD Tier Report is generated from our database and depicts your organizational structure as of December 31, 2014. We recommend that you review the Tier Report prior to submitting the FR Y-7 report. Guidance on how to review the Tier Report is included. If your records differ from the Tier Report, please file an FR Y-10 report if a change has not been reported or has been reported incorrectly. Alternatively, please contact us if we have recorded a previously reported event incorrectly.

The FR Y-7 must be filed with the Federal Reserve Bank of New York no later than four months after the foreign banking organization's fiscal year end. If this deadline cannot be met for all sections of the report, a request for a filing extension must be submitted no later than 30 calendar days before the submission deadline. Requests for a filing extension must include a business related explanation.

Please submit an original report and one copy of the completed FR Y-7 report to:
