FFIEC 031 and FFIEC 032 reporters Only

For the September 30, 2000 Call report, banks reporting on the FFIEC 031 or 032 version of the report must complete Schedule RC-L memorandum items 5.a and 5.c. These items pertain to automobile and other installment loans to individuals that have been securitized.

A completed Call Report must be electronically submitted no later than **October 30, 2000**. Earlier submission would aid the Federal Reserve in reviewing and processing the report and is encouraged.

Please note that, under the Regulatory Reports Monitoring Program, the timeliness of receipt of the Call Report will be monitored. Any report received after 5:00 p.m. on October 30 will be considered late. Submission of initial data will only be accepted electronically.

The staff of this bank will monitor whether banking organizations are meeting their basic reporting requirements through the use of Avalidity edits.@ The current edits for the Report of condition and Income that are subject to monitoring are unchanged and were sent to you in a previous mailing.
