FASB Statement No. 133 (FAS 133)

FAS 133 is effective for fiscal years beginning after June 15, 2000. Branches and agencies must adopt Statement No.

2000

133 on the FFIEC 002 on the first quarter for the new fiscal year. Early application is permitted in the FFIEC 002 in accordance with the transition guidance in FAS 133. Piecemeal adoption of FAS 133 is not permitted.

The FFIEC 002 has not been revised as a result of FASB Statement No. 133. Once an institution adopts FAS 133, the fair value of trading derivatives with *nonrelated* parties should continue to be reported in Schedule RAL, Assets and Liabilities, "Trading assets" (Line 1.f) for positive fair values, or Schedule RAL, "Trading liabilities" (Line 4.e) for negative fair values. The fair value of contracts with *nonrelated* parties held for purposes other than trading should be reported in Schedule RAL, "Other assets" (Line 1.h) for positive fair values, or Schedule RAL, "Other liabilities" (Line 4.f) for negative fair values.

The fair value of trading derivatives with *related* parties should be reported in Schedule M, Due from/Due to Related Institutions in the U.S. and in Foreign Countries, "Trading assets and liabilities, related parties" (Part I, Memoranda Line 3), column A for positive fair values, and column B for negative

fair values. These amounts should also be reported in Schedule M, "U.S. domiciled offices of related depository institutions (including their IBFs)" (Part I, Line 1), or "Non-U.S. domiciled offices of related depository institutions" (Part I, Line 2), with the appropriate counterparty. The fair value of contracts with *related* parties held for purposes other than trading should be reported in Schedule M, Part I, Line 1 or Line 2, column A for positive fair values, and column B for negative fair values.

Consistent with the guidance in FAS 133 and its implementation guidance, intercompany derivatives between a U.S. branch or agency and a related party, including the reporting branch or agency's parent bank, may qualify for hedge accounting if it meets the criteria outlined in the guidance.

In addition, for all derivative contracts with both related and nonrelated parties (including derivatives designated and qualifying as cash flow hedging instruments), the changes in the fair value of the derivatives (that is, gains and losses) should be reported as part of an institution's unremitted profit (loss) reported in Schedule M, Due from/Due to Related Institutions in

the U.S. and in Foreign Countries, "Gross due to/due from Head office of parent bank" (Part I, Line 2.a). For fair value hedges, the change in the fair value of the hedged item (asset, liability or firm commitment) attributable to the hedged risk should adjust the carrying amount of the hedged item. In addition, this change in fair value should also be reported as part of the unremitted profit (loss) in Schedule M.

Reports Monitoring

Please note that, under the Regulatory Reports Monitoring Program, the timeliness of receipt of each of these reports will be monitored, and that submission of initial data via facsimile, even if prior to the deadline, does not constitute timely filing.

An original and one copy of the completed FFIEC 002 and FFIEC 002S report(s) (if applicable) must be returned to this Bank, by mail or messenger, no later than January 30, 2000. Any FFIEC 002/002S reports received after 5:00 p.m. on January 30 will be considered late unless postmarked by January 28 or sent by overnight service by January 29. Complete reports

Vendors have developed a software package that provides the means to submit the FFIEC 002/002S electronically. Submitting reports electronically using the software package provides the following key benefits:

- A timely and efficient alternative to sending the report forms by mail;
- Data are checked automatically for miscalculated totals and blank fields; and
- A printed report is generated that can serve as your institution's permanent record of the report.

For information on filing the FFIEC 002/002S report electronically, please contact Henry Castillo at (212) 720-1318.
