To: The Chief Executive Officer of Each U.S. Branch and Agency of a Foreign Bank Located in the Second Federal Reserve District

Enclosed are copies of forms for the following reports for the quarter ending December 31, 2000:

• Report of Assets and Liabilities of U.S. Branches and Agencies of Foreign Banks (FFIEC 002); and
• Supplemental Report of Assets and Liabilities of a Non-U.S. Branch that is Managed or Controlled by a U.S. Branch or Agency of a Foreign (Non-U.S.) Bank (FFIEC 002S).

There are no changes to the FFIEC 002 or FFIEC 002S reporting forms or instructions for December 31, 2000.

**FASB Statement No. 133 (FAS 133)**

FAS 133 is effective for fiscal years beginning after June 15, 2000. Branches and agencies must adopt Statement No.
133 on the FFIEC 002 on the first quarter for the new fiscal year. Early application is permitted in the FFIEC 002 in accordance with the transition guidance in FAS 133. Piecemeal adoption of FAS 133 is not permitted.

The FFIEC 002 has not been revised as a result of FASB Statement No. 133. Once an institution adopts FAS 133, the fair value of trading derivatives with nonrelated parties should continue to be reported in Schedule RAL, Assets and Liabilities, “Trading assets” (Line 1.f) for positive fair values, or Schedule RAL, “Trading liabilities” (Line 4.e) for negative fair values. The fair value of contracts with nonrelated parties held for purposes other than trading should be reported in Schedule RAL, “Other assets” (Line 1.h) for positive fair values, or Schedule RAL, “Other liabilities” (Line 4.f) for negative fair values.

The fair value of trading derivatives with related parties should be reported in Schedule M, Due from/Due to Related Institutions in the U.S. and in Foreign Countries, “Trading assets and liabilities, related parties” (Part I, Memoranda Line 3), column A for positive fair values, and column B for negative
fair values. These amounts should also be reported in Schedule M, “U.S. domiciled offices of related depository institutions (including their IBFs)” (Part I, Line 1), or “Non-U.S. domiciled offices of related depository institutions” (Part I, Line 2), with the appropriate counterparty. The fair value of contracts with related parties held for purposes other than trading should be reported in Schedule M, Part I, Line 1 or Line 2, column A for positive fair values, and column B for negative fair values.

Consistent with the guidance in FAS 133 and its implementation guidance, intercompany derivatives between a U.S. branch or agency and a related party, including the reporting branch or agency’s parent bank, may qualify for hedge accounting if it meets the criteria outlined in the guidance.

In addition, for all derivative contracts with both related and nonrelated parties (including derivatives designated and qualifying as cash flow hedging instruments), the changes in the fair value of the derivatives (that is, gains and losses) should be reported as part of an institution’s unremitted profit (loss) reported in Schedule M, Due from/Due to Related Institutions in
the U.S. and in Foreign Countries, “Gross due to/due from Head
office of parent bank” (Part I, Line 2.a). For fair value
hedges, the change in the fair value of the hedged item (asset,
liability or firm commitment) attributable to the hedged risk
should adjust the carrying amount of the hedged item. In
addition, this change in fair value should also be reported as
part of the unremitted profit (loss) in Schedule M.

Reports Monitoring

Please note that, under the Regulatory Reports Monitoring
Program, the timeliness of receipt of each of these reports
will be monitored, and that submission of initial data via
facsimile, even if prior to the deadline, does not constitute
timely filing.

An original and one copy of the completed FFIEC 002 and
FFIEC 002S report(s) (if applicable) must be returned to this
Bank, by mail or messenger, no later than January 30, 2000.
Any FFIEC 002/002S reports received after 5:00 p.m. on January
30 will be considered late unless postmarked by January 28 or
sent by overnight service by January 29. Complete reports
should be submitted to:

Federal Reserve Bank of New York
Statistics Function
33 Liberty Street, 4th Floor
New York, NY 10045

We will also continue to monitor the accuracy of the periodic regulatory reports submitted for the December 31, 2000, report date. The staff of this Reserve Bank will monitor whether banking organizations are meeting their basic reporting requirements through the use of "validity edits." The edits for the FFIEC 002 report that are subject to monitoring have been mailed previously.

**Electronic Submission Option**

Electronic submission of the FFIEC 002/002S reports are available to all U.S. branches and agencies. We encourage you to take advantage of this method of reports submission.
Vendors have developed a software package that provides the means to submit the FFIEC 002/002S electronically. Submitting reports electronically using the software package provides the following key benefits:

- A timely and efficient alternative to sending the report forms by mail;
- Data are checked automatically for miscalculated totals and blank fields; and
- A printed report is generated that can serve as your institution’s permanent record of the report.

For information on filing the FFIEC 002/002S report electronically, please contact Henry Castillo at (212) 720-1318.
