## **SURVEY OF PRIMARY DEALERS**

## **JUNE 2020**

This survey is formulated by the Trading Desk at the Federal Reserve Bank of New York to enhance policymakers' understanding of market expectations on a variety of topics related to the economy, monetary policy and financial markets. The questions involve only topics that are widely discussed in the public domain and never presume any particular policy action. FOMC participants are not involved in the survey's design.

Please respond by <b>Monday, June 1st at 2:00pm Easter</b> and input are greatly appreciated.	rn Time to the questions below. Your time
Type of Respondent: Primary Dealer Respon	ndent Name:
1a) Provide below your expectations for changes, if any, to the lang the June FOMC statement. Please write N/A if you do not exp	uage referencing each of the following topics in ect any changes.
Current economic conditions:	
Economic outlook and communication on the expected path of the target federal funds rate:	
Communication on tools other than the target federal funds rate:	
Other:	
<b>1b)</b> What are your expectations for the medians of FOMC participan Economic Projections (SEP)?	ts' <u>economic</u> projections in the Summary of

		Year-end 2020	Year-end 2021	Year-end 2022	Longer run			
December SE	EP median:	1.625%	1.875%	2.125%	2.500%			
June SE	EP median:							
	L							
1d) Additionally, please describ	be your exp	ectations for	the distributi	ons of FOMC	participants'	target rate p	rojections.
