SURVEY OF MARKET PARTICIPANTS

DECEMBER 2022

This survey is formulated by the Trading Desk at the Federal Reserve Bank of New York to enhance policymakers' understanding of market expectations on a variety of topics related to the economy, monetary policy and financial markets. The questions involve only topics that are widely discussed in the public domain and never presume any particular policy action. FOMC participants are not involved in the survey's design.

Please respond by Monday, December 5th at 2:00pm Eastern Time to the questions below. Your time and input are greatly appreciated.								
Type of Respondent: Market Participant Respondent	ondent Name:
