

## SURVEY OF MARKET EXPECTATIONS JUNE 2026

This survey is formulated by the Trading Desk at the Federal Reserve Bank of New York to enhance policymakers' understanding of market expectations on a variety of topics related to the economy, monetary policy and financial markets. The questions involve only topics that are widely discussed in the public domain and never presume any particular policy action. FOMC participants are not involved in the survey's design.

Please respond by **Monday, June 8th 2:00pm Eastern Time** to the questions below. Your time and input are greatly appreciated.

**1a)** Provide below your expectations for changes, if any, to the language referencing each of the following topics in the June FOMC statement. Please write N/A if you do not expect any changes.
