Monday, November 8th, 2021

AGENDA

Questions to be discussed include, but are not limited to

➤ What short and long run trends do we see for productivity growth?
➤ Has COVID-19 changed the picture on productivity growth?
➤ Are IT, AI or robotics accelerating the rate of productivity growth?

Questions to be discussed include, but are not limited to

➤ Is the “Great Resignation” a transitory phenomenon or something more existential and permanent?
➤ How might renewed labor strife impact wage inflation and income inequality?
➤ What do alternative measures of slack/tightness in the labor market suggest about the expected path of wage inflation?
