INTRODUCING pie:shell

Crowdfunding for Food + Beverage Entrepreneurs

Our goal is to build a vibrant community that will generate employment, revenue, and social impact.
What is crowdfunding?

Crowdfunding is a method of funding a project by receiving small amounts of money from friends, family, customers, and individual investors.
Crowdfunding is the ultimate focus group.
A large number of individuals x small financial contributions = cash flow.

Let’s you use the power of social media to drive sales.

Helps create a loyal following of customers before your business or product even launches.
