## SECTION 2. FX TRANSACTIONS

2.1 Scope of the Agreement. The Parties (through their respective Designated Offices) may enter into FX Transactions, for such quantities of such Currencies, as may be agreed subject to the terms of the Agreement; provided that neither Party shall be required to enter into any FX Transaction with the other Party. Unless otherwise agreed in writing by the Parties, each FX Transaction entered into between Designated Offices of the Parties on or after the Effective Date shall be governed by the Agreement. Each FX Transaction between any two Designated Offices of the Parties outstanding on the Effective Date which is identified in Part I of the Schedule shall also be governed by the Agreement.

2.2 Single Agreement. This Master Agreement, the terms agreed between the Parties with respect to each FX Transaction (and, to the extent recorded in a Confirmation, each such Confirmation), and all amendments to any of such items shall together form the agreement between the Parties (the "Agreement") and shall together constitute a single agreement between the Parties.

The Parties acknowledge that all FX Transactions are entered into in reliance upon such fact, it being understood that the Parties would not otherwise enter into any FX Transaction.

2.3 Confirmations. FX Transactions shall be promptly confirmed by the Parties by Confirmations exchanged by mail, telex, facsimile or other electronic means from which it is possible to produce a hard copy. The failure by a Party to issue a Confirmation shall not prejudice or invalidate the terms of any FX Transaction.

2.4 Inconsistencies. In the event of any inconsistency between the provisions of the Schedule and the other provisions of the Agreement, the Schedule will prevail. In the event of any inconsistency between the terms of a Confirmation and the other provisions of the Agreement, the other provisions of the Agreement shall prevail, and the Confirmation shall not modify the other terms of the Agreement.

### SECTION 3. SETTLEMENT AND NETTING

3.1 Settlement. Subject to Sections 3.2 and 3.3, each Party shall deliver to the other Party the amount of the Currency to be delivered by it under each Currency Obligation on the Value Date for such Currency Obligation.

3.2 Settlement Netting. If, on any date, more than one delivery of a particular Currency under Currency Obligations is to be made between a pair of Settlement Netting Offices, then each Party shall aggregate the amounts of such Currency deliverable by it and only the difference between these aggregate amounts shall be delivered by the Party owing the larger aggregate amount to the other Party, and, if the aggregate amounts are equal, no delivery of the Currency shall be made.

3.3 Novation Netting. (a) By Currency. If the Parties enter into an FX Transaction through a pair of Novation Netting Offices giving rise to a Currency Obligation for the same Value Date and in the same Currency as a then existing Currency Obligation between the same pair of Novation Netting Offices, then immediately upon entering into such FX Transaction, each such Currency Obligation shall automatically and without further action be individually canceled and simultaneously replaced by a new Currency Obligation for such Value Date determined as follows: the amounts of such Currency that would otherwise have been deliverable by each Party on such Value Date shall be aggregated and the Party with the larger aggregate amount shall have a new Currency Obligation to deliver to the other Party the amount of such Currency by which its aggregate amount exceeds the other Party's aggregate amount, provided that if the aggregate amounts are equal, no new Currency Obligation shall arise. This Section 3.3 shall not affect any other Currency Obligation of a Party to deliver any different Currency on the same Value Date.

(b) By Matched Pair. If the Parties enter into an FX Transaction between a pair of Matched Pair Novation Netting Offices then the provisions of Section 3.3(a) shall apply only in respect of Currency Obligations arising by virtue of FX Transactions entered into between such pair

of Matched Pair Novation Netting Offices and involving the same pair of Currencies and the same Value Date.

3.4 General (a) Inapplicability of Sections 3.2 and 3.3. The provisions of Sections 3.2 and 3.3 shall not apply if a Close-Out Date has occurred or a voluntary or involuntary Insolvency Proceeding or action of the kind described in clause (ii), (iii) or (iv) of the definition of Event of Default has occurred without being dismissed in relation to either Party.

(b) Failure to Record. The provisions of Section 3.3 shall apply notwithstanding that either Party may fail to record the new Currency Obligation in its books.

(c) Cut-off Date and Time. The provisions of Section 3.3 are subject to any cut-off date and cut-off time agreed between the applicable Novation Netting Offices and Matched Pair Novation Netting Offices of the Parties.

#### SECTION 4. REPRESENTATIONS, WARRANTIES AND COVENANTS

4.1 Representations and Warranties. Each Party represents and warrants to the other Party as of the Effective Date and as of the date of each FX Transaction that: (i) it has authority to enter into the Agreement (including such FX Transaction); (ii) the persons entering into the Agreement (including such FX Transaction) on its behalf have been duly authorized to do so; (iii) the Agreement (including such FX Transaction) is binding upon it and enforceable against it in accordance with its terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and applicable principles of equity) and does not and will not violate the terms of any agreements to which such Party is bound; (iv) no Event of Default, or event which, with notice or lapse of time or both, would constitute an Event of Default, has occurred and is continuing with respect to it; (v) it acts as principal in entering into each FX Transaction; and (vi) if the Parties have so specified in Part XV of the Schedule, it makes the representations and warranties set forth in such Part XV.

4.2 Covenants. Each Party covenants to the other Party that: (i) it will at all times obtain and comply with the terms of and do all that is necessary to maintain in full force and effect all authorizations, approvals, licenses and consents required to enable it lawfully to perform its obligations under the Agreement; (ii) it will promptly notify the other Party of the occurrence of any Event of Default with respect to itself or any Credit Support Provider in relation to it; and (iii) if the Parties have set forth additional covenants in Part XVI of the Schedule, it makes the covenants set forth in such Part XVI.

#### SECTION 5. CLOSE-OUT AND LIQUIDATION

5.1 Manner of Close-Out and Liquidation. (a) Close-Out. If an Event of Default has

occurred and is continuing, then the Non-Defaulting Party shall have the right to close out all, but not less than all, outstanding Currency Obligations (including any Currency Obligation which has not been performed and in respect of which the Value Date is on or precedes the Close-Out Date) except to the extent that in the good faith opinion of the Non-Defaulting Party certain of such Currency Obligations may not be closed out under applicable law. Such close-out shall be effective upon receipt by the Defaulting Party of notice that the Non-Defaulting Party is terminating such Currency Obligations. Notwithstanding the foregoing, unless otherwise agreed by the Parties in Part X of the Schedule, in the case of an Event of Default in clause (ii), (iii) or (iv) of the definition thereof with respect to a Party and, if agreed by the Parties in Part IX of the Schedule, in the case of any other Event of Default specified and so agreed in Part IX with respect to a Party, close-out shall be automatic as to all outstanding Currency Obligations, as of the time immediately preceding the institution of the relevant Insolvency Proceeding or action. The Non-Defaulting Party shall have the right to liquidate such closed-out Currency Obligations as provided below.

(b) Liquidation. Liquidation of Currency Obligations terminated by close-out shall be effected as follows:

(i) Calculating Closing Gain or Loss. The Non-Defaulting Party shall calculate in good faith, with respect to each such terminated Currency Obligation, except to the extent that in the good faith opinion of the Non-Defaulting Party certain of such Currency Obligations may not be liquidated as provided herein under applicable law, as of the Close-Out Date or as soon thereafter as reasonably practicable, the Closing Gain, or, as appropriate, the Closing Loss, as follows:

(A) for each Currency Obligation calculate a "Close-Out Amount" as follows:

(1) in the case of a Currency Obligation whose Value Date is the same as or is later than the Close-Out Date, the amount of such Currency Obligation;  
or

(2) in the case of a Currency Obligation whose Value Date precedes the Close-Out Date, the amount of such Currency Obligation increased, to the extent permitted by applicable law, by adding interest thereto from and including the Value Date to but excluding the Close-Out Date at overnight LIBOR; and

(3) for each such amount in a Currency other than the Non-Defaulting Party's Base Currency, convert such amount into the Non-Defaulting Party's Base Currency at the rate of exchange at which, at the time of the calculation, the Non-Defaulting Party can buy such Base Currency with or against the Currency of the relevant Currency Obligation for delivery (x) if the Value Date of such Currency Obligation is on or after the Spot Date as of such time of calculation for the Base Currency, on the Value

Date of that Currency Obligation or (y) if such Value Date precedes such Spot Date, for delivery on such Spot Date (or, in either case, if such rate of exchange is not available, conversion shall be accomplished by the Non-Defaulting Party using any commercially reasonable method); and

- (B) determine in relation to each Value Date: (1) the sum of all Close-Out Amounts relating to Currency Obligations under which the Non-Defaulting Party would otherwise have been entitled to receive the relevant amount on that Value Date; and (2) the sum of all Close-Out Amounts relating to Currency Obligations under which the Non-Defaulting Party would otherwise have been obliged to deliver the relevant amount to the Defaulting Party on that Value Date; and
  - (C) if the sum determined under (B)(1) is greater than the sum determined under (B)(2), the difference shall be the Closing Gain for such Value Date; if the sum determined under (B)(1) is less than the sum determined under (B)(2), the difference shall be the Closing Loss for such Value Date.
- (ii) Determining Present Value. To the extent permitted by applicable law, the Non-Defaulting Party shall adjust the Closing Gain or Closing Loss for each Value Date falling after the Close-Out Date to present value by discounting the Closing Gain or Closing Loss from and including the Value Date to but excluding the Close-Out Date, at LIBOR with respect to the Non-Defaulting Party's Base Currency as at the Close-Out Date or at such other rate as may be prescribed by applicable law.
  - (iii) Netting. The Non-Defaulting Party shall aggregate the following amounts so that all such amounts are netted into a single liquidated amount payable to or by the Non-Defaulting Party: (x) the sum of the Closing Gains for all Value Dates (discounted to present value, where appropriate, in accordance with the provisions of Section 5.1(b)(ii))(which for the purposes of the aggregation shall be a positive figure); and (y) the sum of the Closing Losses for all Value Dates (discounted to present value, where appropriate, in accordance with the provisions of Section 5.1(b)(ii))(which for the purposes of the aggregation shall be a negative figure).
  - (iv) Settlement Payment. If the resulting net amount is positive, it shall be payable by the Defaulting Party to the Non-Defaulting Party, and if it is negative, then the absolute value of such amount shall be payable by the Non-Defaulting Party to the Defaulting Party.

5.2 Set-Off Against Credit Support. Where close-out and liquidation occurs in accordance with Section 5.1, the Non-Defaulting Party shall also be entitled (i) to set off the net payment calculated in accordance with Section 5.1(b)(iv) which the Non-Defaulting Party owes to the Defaulting Party, if any, against any credit support or other collateral ("Credit Support") held by

the Defaulting Party pursuant to a Credit Support Document or otherwise (including the liquidated value of any non-cash Credit Support) in respect of the Non-Defaulting Party's obligations under the Agreement or (ii) to set off the net payment calculated in accordance with Section 5.1(b)(iv) which the Defaulting Party owes to the Non-Defaulting Party, if any, against any Credit Support held by the Non-Defaulting Party (including the liquidated value of any non-cash Credit Support) in respect of the Defaulting Party's obligations under the Agreement; provided that, for purposes of either such set-off, any Credit Support denominated in a Currency other than the Non-Defaulting Party's Base Currency shall be converted into such Base Currency at the spot price determined by the Non-Defaulting Party at which, at the time of calculation, the Non-Defaulting Party could enter into a contract in the foreign exchange market to buy the Non-Defaulting Party's Base Currency in exchange for such Currency.

5.3 Other Foreign Exchange Transactions. Where close-out and liquidation occurs in accordance with Section 5.1, the Non-Defaulting Party shall also be entitled to close-out and liquidate, to the extent permitted by applicable law, any other foreign exchange transaction entered into between the Parties which is then outstanding in accordance with the provisions of Section 5.1, with each obligation of a Party to deliver a Currency under such a foreign exchange transaction being treated as if it were a Currency Obligation under the Agreement.

5.4 Payment and Late Interest. The net amount payable by one Party to the other Party pursuant to the provisions of Sections 5.1 and 5.3 above shall be paid by the close of business on the Business Day following the receipt by the Defaulting Party of notice of the Non-Defaulting Party's settlement calculation, with interest at overnight LIBOR from and including the Close-Out Date to but excluding such Business Day (and converted as required by applicable law into any other Currency, any costs of conversion to be borne by, and deducted from any payment to, the Defaulting Party). To the extent permitted by applicable law, any amounts owed but not paid when due under this Section 5 shall bear interest at overnight LIBOR (or, if conversion is required by applicable law into some other Currency, either overnight LIBOR with respect to such other Currency or such other rate as may be prescribed by such applicable law) for each day for which such amount remains unpaid. Any addition of interest or discounting required under this Section 5 shall be calculated on the basis of a year of such number of days as is customary for transactions involving the relevant Currency in the relevant foreign exchange market.

5.5 Suspension of Obligations. Without prejudice to the foregoing, so long as a Party shall be in default in payment or performance to the other Party under the Agreement and the other Party has not exercised its rights under this Section 5, or, if "Adequate Assurances" is specified as applying to the Agreement in Part XI of the Schedule, during the pendency of a reasonable request to a Party for adequate assurances of its ability to perform its obligations under the Agreement, the other Party may, at its election and without penalty, suspend its obligation to perform under the Agreement.

5.6 Expenses. The Defaulting Party shall reimburse the Non-Defaulting Party in respect of all out-of-pocket expenses incurred by the Non-Defaulting Party (including fees and disbursements

of counsel, including attorneys who may be employees of the Non-Defaulting Party) in connection with any reasonable collection or other enforcement proceedings related to the payments required under the Agreement.

5.7 Reasonable Pre-Estimate. The Parties agree that the amounts recoverable under this Section 5 are a reasonable pre-estimate of loss and not a penalty. Such amounts are payable for the loss of bargain and the loss of protection against future risks and, except as otherwise provided in the Agreement, neither Party will be entitled to recover any additional damages as a consequence of such losses.

5.8 No Limitation of Other Rights; Set-Off. The Non-Defaulting Party's rights under this Section 5 shall be in addition to, and not in limitation or exclusion of, any other rights which the Non-Defaulting Party may have (whether by agreement, operation of law or otherwise), and, to the extent not prohibited by law, the Non-Defaulting Party shall have a general right of set-off with respect to all amounts owed by each Party to the other Party, whether due and payable or not due and payable (provided that any amount not due and payable at the time of such set-off shall, if appropriate, be discounted to present value in a commercially reasonable manner by the Non-Defaulting Party). The Non-Defaulting Party's rights under this Section 5.8 are subject to Section 5.7.

## SECTION 6. FORCE MAJEURE, ACT OF STATE, ILLEGALITY AND IMPOSSIBILITY

6.1 Force Majeure, Act of State, Illegality and Impossibility. If either Party is prevented from or hindered or delayed by reason of force majeure or act of state in the delivery or receipt of any Currency in respect of a Currency Obligation or if it becomes or, in the good faith judgment of one of the Parties, may become unlawful or impossible for either Party to make or receive any payment in respect of a Currency Obligation, then the Party for whom such performance has been prevented, hindered or delayed or has become illegal or impossible shall promptly give notice thereof to the other Party and either Party may, by notice to the other Party, require the close-out and liquidation of each affected Currency Obligation in accordance with the provisions of Section 5.1 and, for such purposes, the Party unaffected by such force majeure, act of state, illegality or impossibility (or, if both Parties are so affected, whichever Party gave the relevant notice) shall perform the calculation required under Section 5.1 as if it were the Non-Defaulting Party. Nothing in this Section 6.1 shall be taken as indicating that the Party treated as the Defaulting Party for the purpose of calculations required by Section 5.1 has committed any breach or default.

6.2 Transfer to Avoid Force Majeure, Act of State, Illegality or Impossibility. If Section 6.1 becomes applicable, unless prohibited by law, the Party which has been prevented, hindered or delayed from performing shall, as a condition to its right to designate a close-out and liquidation of any affected Currency Obligation, use all reasonable efforts (which will not require such Party to incur a loss, excluding immaterial, incidental expenses) to transfer as soon as practicable, and in any event before twenty (20) days after it gives notice under Section 6.1, all its rights and obligations under the

Agreement in respect of the affected Currency Obligations to another of its Designated Offices so that such force majeure, act of state, illegality or impossibility ceases to exist. Any such transfer will be subject to the prior written consent of the other Party, which consent will not be withheld if such other Party's policies in effect at such time would permit it to enter into transactions with the transferee Designated Office on the terms proposed, unless such transfer would cause the other Party to incur a material tax or other cost.

## SECTION 7. PARTIES TO RELY ON THEIR OWN EXPERTISE

Each Party will be deemed to represent to the other Party on the date on which it enters into an FX Transaction that (absent a written agreement between the Parties that expressly imposes affirmative obligations to the contrary for that FX Transaction): (i)(A) it is acting for its own account, and it has made its own independent decisions to enter into that FX Transaction and as to whether that FX Transaction is appropriate or proper for it based upon its own judgment and upon advice from such advisors as it has deemed necessary; (B) it is not relying on any communication (written or oral) of the other Party as investment advice or as a recommendation to enter into that FX Transaction, it being understood that information and explanations related to the terms and conditions of an FX Transaction shall not be considered investment advice or a recommendation to enter into that FX Transaction; and (C) it has not received from the other Party any assurance or guarantee as to the expected results of that FX Transaction; (ii) it is capable of evaluating and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of that FX Transaction; and (iii) the other Party is not acting as a fiduciary or an advisor for it in respect of that FX Transaction.

## SECTION 8. MISCELLANEOUS

8.1 Currency Indemnity. The receipt or recovery by either Party (the "first Party") of any amount in respect of an obligation of the other Party (the "second Party") in a Currency other than that in which such amount was due, whether pursuant to a judgment of any court or pursuant to Section 5 or 6, shall discharge such obligation only to the extent that, on the first day on which the first Party is open for business immediately following such receipt or recovery, the first Party shall be able, in accordance with normal banking practice, to purchase the Currency in which such amount was due with the Currency received or recovered. If the amount so purchasable shall be less than the original amount of the Currency in which such amount was due, the second Party shall, as a separate obligation and notwithstanding any judgment of any court, indemnify the first Party against any loss sustained by it. The second Party shall in any event indemnify the first Party against any costs incurred by it in making any such purchase of Currency.

8.2 Assignment. Neither Party may assign, transfer or charge or purport to assign, transfer or charge its rights or obligations under the Agreement to a third party without the prior

written consent of the other Party and any purported assignment, transfer or charge in violation of this Section 8.2 shall be void.

8.3 Telephonic Recording. The Parties agree that each may electronically record all telephonic conversations between them and that any such recordings may be submitted in evidence to any court or in any Proceedings for the purpose of establishing any matters pertinent to the Agreement.

8.4 Notices. Unless otherwise agreed, all notices, instructions and other communications to be given to a Party under the Agreement shall be given to the address, telex (if confirmed by the appropriate answerback), facsimile (confirmed if requested) or telephone number and to the individual or department specified by such Party in Part III of the Schedule. Unless otherwise specified, any notice, instruction or other communication given in accordance with this Section 8.4 shall be effective upon receipt.

8.5 Termination. Each of the Parties may terminate the Agreement at any time by seven (7) days' prior written notice to the other Party delivered as prescribed in Section 8.4, and termination shall be effective at the end of such seventh day; provided, however, that any such termination shall not affect any outstanding Currency Obligations, and the provisions of the Agreement shall continue to apply until all the obligations of each Party to the other under the Agreement have been fully performed.

8.6 Severability. In the event any one or more of the provisions contained in the Agreement should be held invalid, illegal or unenforceable in any respect under the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions contained in the Agreement under the law of such jurisdiction, and the validity, legality and enforceability of such and any other provisions under the law of any other jurisdiction shall not in any way be affected or impaired thereby. The Parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

8.7 No Waiver. No indulgence or concession granted by a Party and no omission or delay on the part of a Party in exercising any right, power or privilege under the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

8.8 Master Agreement. Where one of the Parties to the Agreement is domiciled in the United States, the Parties intend that the Agreement shall be a master agreement, as referred to in 11 U.S.C. Section 101(53B)(C) and 12 U.S.C. Section 1821(e)(8)(D)(vii).

8.9 Time of Essence. Time shall be of the essence in the Agreement.

8.10 Headings. Headings in the Agreement are for ease of reference only.

8.11 Payments Generally. All payments to be made under the Agreement shall be made in same day (or immediately available) and freely transferable funds and, unless otherwise specified, shall be delivered to such office of such bank, and in favor of such account as shall be specified by the Party entitled to receive such payment in Part IV of the Schedule or in a notice given in accordance with Section 8.4.

8.12 Amendments. No amendment, modification or waiver of the Agreement will be effective unless in writing executed by each of the Parties.

8.13 Credit Support. A Credit Support Document between the Parties may apply to obligations governed by the Agreement. If the Parties have executed a Credit Support Document, such Credit Support Document shall be subject to the terms of the Agreement and is hereby incorporated by reference in the Agreement. In the event of any conflict between a Credit Support Document and the Agreement, the Agreement shall prevail, except for any provision in such Credit Support Document in respect of governing law.

8.14 Adequate Assurances. If the Parties have so agreed in Part XI of the Schedule, the failure by a Party to give adequate assurances of its ability to perform any of its obligations under the Agreement within two (2) Business Days of a written request to do so when the other Party has reasonable grounds for insecurity shall be an Event of Default under the Agreement.

8.15 Correction of Confirmations. Unless either Party objects to the terms contained in any Confirmation sent by the other Party or sends a corrected Confirmation within three (3) Business Days of receipt of such Confirmation, or such shorter time as may be appropriate given the Value Date of an FX Transaction, the terms of such Confirmation shall be deemed correct and accepted absent manifest error. If the Party receiving a Confirmation sends a corrected Confirmation within such three (3) Business Days, or shorter period, as appropriate, then the Party receiving such corrected Confirmation shall have three (3) Business Days, or shorter period, as appropriate, after receipt thereof to object to the terms contained in such corrected Confirmation.

## SECTION 9. LAW AND JURISDICTION

9.1 Governing Law. The Agreement shall be governed by, and construed in accordance with, the laws of the jurisdiction set forth in Part XII of the Schedule without giving effect to conflict of laws principles.

9.2 Consent to Jurisdiction. (a) With respect to any Proceedings, each Party irrevocably (i) submits to the non-exclusive jurisdiction of the courts of the jurisdiction set forth in Part XIII of the Schedule and (ii) waives any objection which it may have at any time to the laying of venue of any

Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have jurisdiction over such Party. Nothing in the Agreement precludes either Party from bringing Proceedings in any other jurisdiction nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(b) Each Party irrevocably appoints the agent for service of process (if any) specified with respect to it in Part XIV of the Schedule. If for any reason any Party's process agent is unable to act as such, such Party will promptly notify the other Party and within thirty (30) days will appoint a substitute process agent acceptable to the other Party.

9.3 Waiver of Jury Trial. Each Party irrevocably waives any and all right to trial by jury in any Proceedings.

9.4 Waiver of Immunities. Each Party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.
