SECTION 2. OPTIONS

2.1 Scope of the Agreement. The Parties (through their respective Designated Offices) may enter into Options (neither being obliged to do so) for such Premiums, with such Expiration Dates, at such Strike Prices and for the purchase or sale of such quantities of such Currencies, as may be agreed subject to the terms of the Agreement. Unless otherwise agreed in writing by the Parties, each Option entered into between Designated Offices of the Parties on or after the Effective Date, and the settlement thereof in accordance with Section 5.4 or Section 5.5, shall be governed by the Agreement. Each outstanding Put or Call previously entered into by the Parties and identified in Part I of the Schedule shall also be governed by the terms and conditions set forth in the Agreement and in the Confirmation relating to such Option.

2.2 Single Agreement. This Master Agreement, the terms agreed between the Parties with respect to each Option (and, to the extent recorded in a Confirmation, each such Confirmation), and all amendments to any of such items shall together form the agreement between the Parties (the "Agreement") and shall together constitute a single agreement between the Parties. The Parties acknowledge that all Options are entered into in reliance upon such fact, it being understood that the Parties would not otherwise enter into any Option.

2.3 Confirmations. Options shall be promptly confirmed by the Parties by Confirmations exchanged by mail, telex, facsimile or other electronic means from which it is possible to produce a hard copy. The failure by a Party to issue a Confirmation shall not prejudice or invalidate the terms of any Option.

2.4 Inconsistencies. In the event of any inconsistency between the provisions of the Schedule and the other provisions of the Agreement, the Schedule will prevail. In the event of any inconsistency between the terms of a Confirmation and the other provisions of the Agreement, such Confirmation shall prevail, except for the manner of confirmation under Section 2.3 and, if applicable, discharge of Options under Section 4.

SECTION 3. THE PREMIUM

3.1 Payment of Premium. Unless otherwise agreed in writing by the Parties, the Buyer shall be obligated to pay the Premium related to an Option no later than its Premium Payment Date.

3.2 Late Payment or Non-Payment of Premium. If any Premium is not received on

or before the Premium Payment Date, the Seller may elect: (i) to accept a late payment of such Premium; (ii) to give written notice of such non-payment and, if such payment shall not be received within two (2) Business Days of such notice, treat the related Option as void; or (iii) to give written notice of such non-payment and, if such payment shall not be received within two (2) Business Days of such notice, treat such non-payment as an Event of Default under clause (i) of the definition of Event of Default. If the Seller elects to act under either clause (i) or (ii) of the preceding sentence, the Buyer shall pay all out-of-pocket costs and actual damages incurred in connection with such unpaid or late Premium or void Option, including, without limitation, interest on such Premium from and including the Premium Payment Date to but excluding the late payment date in the same Currency as such Premium at overnight LIBOR and any other losses, costs or expenses incurred by the Seller in connection with such terminated Option, for the loss of its bargain, its cost of funding, or the loss incurred as a result of terminating, liquidating, obtaining or re-establishing a delta hedge or related trading position with respect to such Option.

SECTION 4. TERMINATION AND DISCHARGE OF OPTIONS

Unless otherwise agreed in Part V of the Schedule, any Call or any Put written by a Party will automatically be terminated and discharged, in whole or in part, as applicable, against a Call or a Put, respectively, written by the other Party, such termination and discharge to occur automatically upon the payment in full of the last Premium payable in respect of such Options; provided that such termination and discharge may only occur in respect of Options:

- (i) each being with respect to the same Put Currency and the same Call Currency;
- (ii) each having the same Expiration Date and Expiration Time;
- (iii) each being of the same style, i.e. either both being American Style Options or both being European Style Options;
- (iv) each having the same Strike Price;
- (v) each being transacted by the same pair of Designated Offices of Buyer and Seller; and
- (vi) neither of which shall have been exercised by delivery of a Notice of Exercise;

and, upon the occurrence of such termination and discharge, neither Party shall have any further obligation to the other Party in respect of the relevant Options or, as the case may be, parts thereof so terminated and discharged. Such termination and discharge shall be effective notwithstanding that either Party may fail to record such termination and discharge in its books. In the case of a partial termination and discharge (i.e., where the relevant Options are for different amounts of the Currency Pair), the remaining portion of the Option which is partially discharged and terminated shall continue to be an Option for all purposes of the Agreement, including this Section 4.

SECTION 5. EXERCISE AND SETTLEMENT OF OPTIONS

5.1 Exercise of Options. The Buyer may exercise an Option by delivery to the Seller of a Notice of Exercise. Subject to Section 5.3, if a Notice of Exercise with respect to an Option has not been received by the Seller prior to or at the Expiration Time, the Option shall expire and become void and of no effect. Any Notice of Exercise shall (unless otherwise

agreed):

(i) in respect of an American Style Option, (A) if received at or prior to 3:00 p.m. on a Business Day, be effective upon receipt thereof by the Seller, and (B) if received after 3:00 p.m. on a Business Day, be effective only as of the opening of business of the Seller on the first Business Day subsequent to its receipt; and

(ii) in respect of a European Style Option, if received on or, if the parties have so agreed, before the Expiration Date, prior to or at the Expiration Time, be effective upon receipt thereof by the Seller.

5.2 No Partial Exercise. Unless otherwise agreed by the Parties, an Option may be exercised only in whole.

5.3 Automatic Exercise. Unless otherwise agreed in Part VI of the Schedule or unless the Seller is otherwise instructed by the Buyer, if an Option has an In-the-money Amount at its Expiration Time that equals or exceeds the product of (x) 1% of the Strike Price (or such other percentage or amount as may have been agreed by the Parties) and (y) the amount of the Call Currency or Put Currency, as appropriate, then the Option shall be deemed automatically exercised. In such case, the Seller may elect to settle such Option either in accordance with Section 5.4 or by payment to the Buyer on the Settlement Date for such Option of the In-the-money Amount, as determined at the Expiration Time or as soon thereafter as practicable. In the latter case, the sole obligations of the Parties with respect to settlement of such Option shall be to deliver or receive the In-the-money Amount of such Option on the Settlement Date. The Seller shall notify the Buyer of its election of the method of settlement of an automatically exercised Option as soon as practicable after the Expiration Time.

5.4 Settlement of Exercised Options. An exercised Option shall settle on its Settlement Date. Subject to Section 5.3 and 5.5, on the Settlement Date, the Buyer shall pay the Put Currency to the Seller for value on the Settlement Date and the Seller shall pay the Call Currency to the Buyer for value on the Settlement Date.

5.5 Settlement at In-the-Money Amount. An Option shall be settled at its In-the-money Amount if so agreed by the Parties at the time such Option is entered into. In such case, the In-the-money Amount shall be determined based upon the Spot Price at the time of exercise or as soon thereafter as practicable. The sole obligations of the Parties with respect to settlement of such Option shall be to deliver or receive the In-the-money Amount of such Option on the Settlement Date.

SECTION 6. PAYMENT NETTING

6.1 Netting of Premiums. If, on any date, and unless otherwise mutually agreed by the Parties, Premiums would otherwise be payable under the Agreement in the same Currency between the same respective Designated Offices of the Parties, then, on such date, each Party's obligation to make payment of any such Premium will be automatically satisfied and discharged and, if the aggregate Premium(s) that would otherwise have been payable by such Designated Office of one Party exceeds the aggregate Premium(s) that would otherwise have been payable

by such Designated Office of the other Party, replaced by an obligation upon the Party by whom the larger aggregate Premium(s) would have been payable to pay the other Party the excess of the larger aggregate Premium(s) over the smaller aggregate Premium(s) and, if the aggregate Premiums are equal, no payment shall be made.

6.2 Netting of Other Amounts. If, on any date, and unless otherwise mutually agreed by the Parties, amounts other than Premium payments would otherwise be payable under the Agreement in the same Currency between the same respective Designated Offices of the Parties, then, on such date, each Party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by such Designated Office of one Party exceeds the aggregate amount that would otherwise have been payable by such Designated Office of the other Party, replaced by an obligation upon the Party by whom the larger aggregate amount would have been payable to pay the other Party the excess of the larger aggregate amount over the smaller aggregate amount.

SECTION 7. REPRESENTATIONS, WARRANTIES AND COVENANTS

7.1 Representations and Warranties. Each Party represents and warrants to the other Party as of the Effective Date and as of the date of each Option that: (i) it has authority to enter into the Agreement (including and such Option); (ii) the persons entering into the Agreement (including such Option) on its behalf have been duly authorized to do so; (iii) the Agreement is binding upon it and enforceable against it in accordance with its terms (subject to applicable bankruptcy, reorganization, insolvency, moratorium or similar laws affecting creditors' rights generally and applicable principles of equity) and does not and will not violate the terms of any agreements to which such Party is bound; (iv) no Event of Default, or event which, with notice or lapse of time or both, would constitute an Event of Default, has occurred and is continuing with respect to it; (v) it acts as principal in entering into and exercising each and every Option; and (vi) if the Parties have so specified in Part XV of the Schedule, it makes the representations and warranties set forth in such Part XV.

7.2 Covenants. Each Party covenants to the other Party that: (i) it will at all times obtain and comply with the terms of and do all that is necessary to maintain in full force and effect all authorizations, approvals, licenses and consents required to enable it lawfully to perform its obligations under the Agreement; (ii) it will promptly notify the other Party of the occurrence of any Event of Default with respect to itself or any Credit Support Provider in relation to it; and (iii) if the Parties have set forth additional covenants in Part XVI of the Schedule, it makes the covenants set forth in such Part XVI.

SECTION 8. CLOSE-OUT AND LIQUIDATION

8.1 Manner of Close-Out and Liquidation. (a) Close-Out of Options. If an Event of Default has occurred and is continuing, then the Non-Defaulting Party shall have the right to close out all, but not less than all, outstanding Options, except to the extent that in the good faith opinion of the Non-Defaulting Party certain of such Options may not be closed out under applicable law. Such close-out shall be effective upon receipt by the Defaulting Party of notice that the Non-Defaulting Party is terminating such Options, or, if "Automatic Termination" is specified as applying to a Party in Part X of the Schedule, then, in the case of an Event of

Default specified in clauses (ii), (iii) or (iv) of the definition thereof with respect to such Party and any other Event of Default so specified in Part IX of the Schedule with respect to such Party, such close-out shall be automatic as to all outstanding Options, as of the time immediately preceding the institution of the relevant Insolvency Proceeding or action. The Non-Defaulting Party shall have the right to liquidate such closed-out Options as provided below.

(b) Liquidation of Options. Liquidation of Options terminated by close-out shall be effected as follows:

(i) the Non-Defaulting Party shall calculate in good faith with respect to each such terminated Option, except to the extent that in the good faith opinion of the Non-Defaulting Party certain of such Options may not be liquidated as provided herein under applicable law, as of the Close-Out Date or as soon as reasonably practicable thereafter a settlement amount for each Party equal to the aggregate of:

(A) with respect to each Option purchased by such Party, and which the other Party has not elected to treat as void pursuant to Section 3.2(ii) for lack of payment of the Premium, the current market premium for such Option;

(B) with respect to each Option sold by such Party and which such Party has not elected to treat as void pursuant to Section 3.2(ii) for lack of payment of the Premium, any unpaid Premium, provided that, if the Close-Out Date occurs before the Premium Payment Date, such amount shall be discounted from and including the Premium Payment Date to but excluding the Close-Out Date at a rate equal to LIBOR on the Close-Out Date and, if the Close-Out Date occurs after the Premium Payment Date, to the extent permitted by applicable law, the settlement amount shall include interest on any unpaid Premium from and including the Premium Payment Date to but excluding the Close-Out Date in the same Currency as such Premium at overnight LIBOR;

(C) with respect to any exercised Option (whether or not the Close-Out Date occurs before the Settlement Date for such Option), any unpaid amount due to such Party in settlement of such Option and, if the Close-Out Date occurs after the Settlement Date for such Option, to the extent permitted by applicable law, interest thereon from and including the applicable Settlement Date to but excluding the Close-Out Date at overnight LIBOR; and

(D) without duplication, the amount that the Non-Defaulting Party reasonably determines in good faith, as of the Close-Out Date or as of the earliest date thereafter that is reasonably practicable, to be its additional losses, costs and expenses in connection with such terminated Option, for the loss of its bargain, its cost of funding, or the loss incurred as a result of terminating, liquidating, obtaining or re-establishing a delta hedge or related trading position with respect to such Option;

(ii) converting any settlement amount calculated in accordance with clause (i) above in a Currency other than the Non-Defaulting Party's Base Currency into such Base

Currency at the Spot Price at which, at the time of the calculation, the Non-Defaulting Party could enter into a contract in the foreign exchange market to buy the Non-Defaulting Party's Base Currency in exchange for such Currency; and

(iii) netting such settlement amounts with respect to each Party so that all such amounts are netted to a single liquidated amount payable by one Party to the other Party as a settlement payment.

8.2 Set-Off Against Credit Support. Where close-out and liquidation occurs in accordance with Section 8.1, the Non-Defaulting Party shall also be entitled (i) to set off the net payment calculated in accordance with clause (iii) of Section 8.1 which the Non-Defaulting Party owes to the Defaulting Party, if any, against any credit support or other collateral ("Credit Support") held by the Defaulting Party pursuant to a Credit Support Document or otherwise (including the liquidated value of any non-cash Credit Support) in respect of the Non-Defaulting Party's obligations under the Agreement or (ii) to set off the net payment calculated in accordance with such clause (iii) which the Defaulting Party owes to the Non-Defaulting Party, if any, against any Credit Support held by the Non-Defaulting Party (including the liquidated value of any non-cash Credit Support) in respect of the Defaulting Party's obligations under the Agreement; provided that, for purposes of either such set-off, any Credit Support denominated in a Currency other than the Non-Defaulting Party's Base Currency shall be converted into such Currency at the rate specified in clause (ii) of Section 8.1.

8.3 Other Option Transactions. Where close-out and liquidation occurs in accordance with Section 8.1, the Non-Defaulting Party shall also be entitled to close-out and liquidate, to the extent permitted by applicable law, any other currency options entered into between the Parties which are then outstanding (including exercised options not fully performed) in accordance with the provisions of Section 8.1, as if each option were an Option under the Agreement.

8.4 Payment and Late Interest. The net amount payable by one Party to the other Party pursuant to the provisions of Sections 8.1 and 8.3 above shall be paid by the close of business on the Business Day following the receipt by the Defaulting Party of notice of the Non-Defaulting Party's settlement calculation, with interest at overnight LIBOR from and including the Close-Out Date to but excluding such Business Day (and converted as required by applicable law into any other Currency, any costs of conversion to be borne by, and deducted from any payment to, the Defaulting Party). To the extent permitted by applicable law, any amounts owed but not paid when due under this Section 8 shall bear interest at overnight LIBOR (or, if conversion is required by applicable law into some other Currency, either overnight LIBOR with respect to such other Currency or such other rate as may be prescribed by such applicable law) for each day for which such amount remains unpaid. Any addition of interest or discounting required under this Section 8 shall be calculated on the basis of a year of such number of days as is customary for transactions involving the relevant Currency in the relevant foreign exchange market.

8.5 Suspension of Obligations. Without prejudice to the foregoing, so long as a Party shall be in default in payment or performance to the other Party under the Agreement and the other Party has not exercised its rights under this Section 8, or, if "Adequate Assurances" is

specified as applying to the Agreement in Part XI of the Schedule, during the pendency of a reasonable request to a Party for adequate assurances of its ability to perform its obligations under the Agreement, the other Party may, at its election and without penalty, suspend its obligation to perform under the Agreement.

8.6 Expenses. The Defaulting Party shall reimburse the Non-Defaulting Party in respect of all out-of-pocket expenses incurred by the Non-Defaulting Party (including fees and disbursements of counsel, including attorneys who may be employees of the Non-Defaulting Party) in connection with any reasonable collection or other enforcement proceedings related to the payments required under the Agreement.

8.7 Reasonable Pre-Estimate. The Parties agree that the amounts recoverable under this Section 8 are a reasonable pre-estimate of loss and not a penalty. Such amounts are payable for the loss of bargain and the loss of protection against future risks and, except as otherwise provided in the Agreement, neither Party will be entitled to recover any additional damages as a consequence of such losses.

8.8 No Limitation of Other Rights; Set-Off. The Non-Defaulting Party's rights under this Section 8 shall be in addition to, and not in limitation or exclusion of, any other rights which the Non-Defaulting Party may have (whether by agreement, operation of law or otherwise), and, to the extent not prohibited by law, the Non-Defaulting Party shall have a general right of set-off with respect to all amounts owed by each Party to the other Party, whether due and payable or not due and payable (provided that any amount not due and payable at the time of such set-off shall, if appropriate, be discounted to present value in a commercially reasonable manner by the Non-Defaulting Party). The Non-Defaulting Party's rights under this Section 8.8 are subject to Section 8.7.

SECTION 9. FORCE MAJEURE, ACT OF STATE, ILLEGALITY AND IMPOSSIBILITY

9.1 Force Majeure, Act of State, Illegality and Impossibility. If either Party is prevented from or hindered or delayed by reason of force majeure or act of State in the delivery or receipt of any Currency in respect of an Option or if it becomes, or, in the good faith judgment of one of the Parties, may become unlawful or impossible for either Party to make or receive any payment in respect of an Option, then the Party for whom such performance has been prevented, hindered or delayed or has become illegal or impossible shall promptly give notice thereof to the other Party and either Party may, by notice to the other Party, require the close-out and liquidation of each affected Option in accordance with the provisions of Section 8 and, for such purposes, the Party unaffected by such force majeure, act of State, illegality or impossibility (or, if both Parties are so affected, whichever Party gave the relevant notice) shall perform the calculation required under Section 8.1. Nothing in this Section shall be taken as indicating that the Party treated as the Defaulting Party for the purpose of calculations required by Section 8.1 has committed any breach or default.

9.2 Transfer to Avoid Force Majeure, Act of State, Illegality or Impossibility. If Section 9.1 becomes applicable, unless prohibited by law, the Party which has been prevented, hindered or delayed from performing shall, as a condition to its right to designate a close-out and liquidation of any affected Option, use all reasonable efforts (which will not require such Party

to incur a loss, excluding immaterial, incidental expenses) to transfer as soon as practicable; and in any event before the earlier to occur of the expiration date of the affected Options or twenty (20) days after it gives notice under Section 9.1; all its rights and obligations under the Agreement in respect of the affected Options to another of its Designated Offices so that such force majeure, act of State, illegality or impossibility ceases to exist. Any such transfer will be subject to the prior written consent of the other Party, which consent will not be withheld if such other Party's policies in effect at such time would permit it to enter into transactions with the transferee Designated Office on the terms proposed, unless such transfer would cause the other Party to incur a material tax or other cost.

SECTION 10. PARTIES TO RELY ON THEIR OWN EXPERTISE

Each Party will be deemed to represent to the other Party on the date on which it enters into an Option that (absent a written agreement between the Parties that expressly imposes affirmative obligations to the contrary for that Option): (i)(A) it is acting for its own account, and it has made its own independent decisions to enter into that Option and as to whether that Option is appropriate or proper for it based upon its own judgment and upon advice from such advisors as it has deemed necessary; (B) it is not relying on any communication (written or oral) of the other Party as investment advice or as a recommendation to enter into that Option, it being understood that information and explanations related to the terms and conditions of an Option shall not be considered investment advice or a recommendation to enter into that Option; and (C) it has not received from the other Party any assurance or guarantee as to the expected results of that Option; (ii) it is capable of evaluating and understanding (on its own behalf or through independent professional advice), and understands and accepts, the terms, conditions and risks of that Option; and (iii) the other Party is not acting as a fiduciary or an advisor for it in respect of that Option.

SECTION 11. MISCELLANEOUS

11.1 Currency Indemnity. The receipt or recovery by either Party (the "first Party") of any amount in respect of an obligation of the other Party (the "second Party") in a Currency other than that in which such amount was due, whether pursuant to a judgment of any court or pursuant to Section 8 or 9, shall discharge such obligation only to the extent that, on the first day on which the first Party is open for business immediately following such receipt or recovery, the first Party shall be able, in accordance with normal banking practice, to purchase the Currency in which such amount was due with the Currency received or recovered. If the amount so purchasable shall be less than the original amount of the Currency in which such amount was due, the second Party shall, as a separate obligation and notwithstanding any judgment of any court, indemnify the first Party against any loss sustained by it. The second Party shall in any event indemnify the first Party against any costs incurred by it in making any such purchase of Currency.

11.2 Assignment. Neither Party may assign, transfer or charge or purport to assign, transfer or charge its rights or obligations under the Agreement to a third party without the prior written consent of the other Party and any purported assignment, transfer or charge in violation of this Section 11.2 shall be void.

11.3 Telephonic Recording. The Parties agree that each may electronically record all telephonic conversations between them and that any such recordings may be submitted in evidence to any court or in any Proceedings for the purpose of establishing any matters pertinent to the Agreement.

11.4 Notices. Unless otherwise agreed, all notices, instructions and other communications to be given to a Party under the Agreement shall be given to the address, telex (if confirmed by the appropriate answerback), facsimile (confirmed if requested) or telephone number and to the individual or department specified by such Party in Part III of the Schedule. Unless otherwise specified, any notice, instruction or other communication given in accordance with this Section 11.4 shall be effective upon receipt.

11.5 Termination. Each of the Parties may terminate the Agreement at any time by seven (7) days' prior written notice to the other Party delivered as prescribed in Section 11.4, and termination shall be effective at the end of such seventh day; provided, however, that any such termination shall not affect any outstanding Options, and the provisions of the Agreement shall continue to apply until all the obligations of each Party to the other under the Agreement have been fully performed.

11.6 Severability. In the event any one or more of the provisions contained in the Agreement should be held invalid, illegal or unenforceable in any respect under the law of any jurisdiction, the validity, legality and enforceability of the remaining provisions contained in the Agreement under the law of such jurisdiction, and the validity, legality and enforceability of such and any other provisions under the law of any other jurisdiction shall not in any way be affected or impaired thereby. The Parties shall endeavor in good faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

11.7 No Waiver. No indulgence or concession granted by a Party and no omission or delay on the part of a Party in exercising any right, power or privilege under the Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any such right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

11.8 Master Agreement. Where one of the Parties to the Agreement is domiciled in the United States, the Parties intend that the Agreement shall be a master agreement, as referred to in 11 U.S.C. Section 101(53B)(C) and 12 U.S.C. Section 1821(e)(8)(D)(vii).

11.9 Time; Time of Essence. Unless otherwise agreed, the times referred to in the Agreement shall in each case refer to the local time of the relevant Designated Office of the Seller of the relevant Option. Time shall be of the essence in the Agreement.

11.10 Headings. Headings in the Agreement are for ease of reference only.

11.11 Wire Transfers. All payments to be made under the Agreement shall be made by wire transfer, or its equivalent, in same day (or immediately available) and freely transferable funds and, unless otherwise specified, shall be delivered to such office of such bank, and in favor of such account as shall be specified by the Party entitled to receive such payment in Part IV of the Schedule or in a notice given in accordance with Section 11.4.

11.12 Amendments. No amendment, modification or waiver of the Agreement will be effective unless in writing executed by each of the Parties; provided that the Parties may agree in a Confirmation that complies with Section 2.3 to amend the Agreement solely with respect to the Option that is the subject of the Confirmation.

11.13 Credit Support. A Credit Support Document between the Parties may apply to obligations governed by the Agreement. If the Parties have executed a Credit Support Document, such Credit Support Document shall be subject to the terms of the Agreement and is hereby incorporated by reference in the Agreement. In the event of any conflict between a Credit Support Document and the Agreement, the Agreement shall prevail, except for any provision in such Credit Support Document in respect of governing law.

11.14 Adequate Assurances. If the Parties have so agreed in Part XI of the Schedule, the failure by a Party to give adequate assurances of its ability to perform any of its obligations under the Agreement within two (2) Business Days of a written request to do so when the other Party has reasonable grounds for insecurity shall be an Event of Default under the Agreement.

11.15 Correction of Confirmations. Unless either Party objects to the terms contained in any Confirmation sent by the other Party or sends a corrected Confirmation within three (3) Business Days of receipt of such Confirmation, the terms of such Confirmation shall be deemed correct and accepted absent manifest error. If the Party receiving a Confirmation sends a corrected Confirmation within such three (3) Business Days, then the Party receiving such corrected Confirmation shall have three (3) Business Days after receipt thereof to object to the terms contained in such corrected Confirmation.

SECTION 12. LAW AND JURISDICTION

12.1 Governing Law. The Agreement shall be governed by, and construed in accordance with, the laws of the jurisdiction set forth in Part XII of the Schedule, without giving effect to conflict of laws principles.

12.2 Consent to Jurisdiction. (a) With respect to any Proceedings, each Party irrevocably (i) submits to the non-exclusive jurisdiction of the courts of the jurisdiction set forth in Part XIII of the Schedule and (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have jurisdiction over such Party. Nothing in the Agreement precludes either Party from bringing Proceedings in any other jurisdiction nor will the bringing of Proceedings in any one or more jurisdictions preclude the

bringing of Proceedings in any other jurisdiction.

(b) Each Party irrevocably appoints the agent for service of process (if any) specified with respect to it in Part XIV of the Schedule. If for any reason any Party's process agent is unable to act as such, such Party will promptly notify the other Party and within thirty (30) days will appoint a substitute process agent acceptable to the other Party.

12.3 Waiver of Jury Trial. Each Party irrevocably waives any and all right to trial by jury in any Proceedings.

12.4 Waiver of Immunities. Each Party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.
